- d. PHOENIX INTERNATIONAL ACADEMY will complete a screening for possible disabilities for each student within 45 calendar days after and student enrolls without appropriate records of screening, evaluation, and progress in school; or notification to PHOENIX INTERNATIONAL ACADEMY by parents of concerns regarding developmental or educational progress by their child within the ages of service at PHOENIX INTERNATIONAL ACADEMY.
- i. Screening categories will include vision and hearing, and consideration of cognitive, academic, communication; motor; social, behavioral, and adaptive development. Screening does not include detailed individualized comprehensive evaluation procedures.

A parent may request an evaluation of the student.
- i. If, after consultation with the parent, PHOENIX INTERNATIONAL ACADEMY determines that a full and individual evaluation is not warranted, the PHOENIX INTERNATIONAL ACADEMY will provide prior written notice and procedural safeguards notice to the parent in a timely manner.

Evaluation and Eligibility Determination POLICY:

A full and individual initial evaluation will be conducted by PHOENIX INTERNATIONAL ACADEMY before the initial provision of special education and related services to a child with a disability in accordance with 34 CFR §300.300–300.311 of the IDEA regulations. A reevaluation of each child with a disability will be conducted by PHOENIX INTERNATIONAL ACADEMY in accordance with §300.300–300.311 of the IDEA regulations.

PHOENIX INTERNATIONAL ACADEMY will establish, implement and make available to school-based personnel and parents of students enrolled in PHOENIX INTERNATIONAL ACADEMY written procedures for the initial full and individual evaluation of students suspected of having a disability, and for the re-evaluation of students previously identified as being eligible for special education. These procedures shall meet the requirements of IDEA and its regulations, state statutes, and State Board of Education rules. (AAC R7-2-401.E)

PHOENIX INTERNATIONAL ACADEMY must obtain informed written consent from the parent prior to conducting any initial evaluation or reevaluation of a child with a disability, and must obtain informed consent from the parent of the child before the initial provision of special education and related services to the child (34 CFR §300.300)

Either a parent of a child or PHOENIX INTERNATIONAL ACADEMY may initiate a request for an initial evaluation to determine if a child is a child with a disability. Initial evaluations will consist of procedures to determine if the child is a child with a disability and determine the educational needs of the child (34 CFR §300.301).

Procedures shall be established for conducting evaluations in accordance with the requirements described in 34 CFR §300.304 and AAC R7-2-401.E

Initial Evaluation and Reevaluation Procedures:

§300.300–300.311; AAC R7-2-401.E; AAC R7-2-401.F

Parental Consent (§300.300)

- a. When proposing to conduct an initial evaluation to determine if a child qualifies as a child with a disability, PHOENIX INTERNATIONAL ACADEMY will, after reviewing existing data with the parents and providing prior written notice, obtain informed written consent from the parent of the child before collecting any additional data.

- a. Parental consent for initial evaluation will not be construed as consent for initial provision of special education and related services.
 - b. PHOENIX INTERNATIONAL ACADEMY will make reasonable efforts to obtain the informed written consent from the parent for an initial evaluation.
 - c. If the parent requests an evaluation in writing, PHOENIX INTERNATIONAL ACADEMY will, within a reasonable amount of time not to exceed 15 school days from the date it receives a parent's written request for an evaluation, either begin the evaluation by reviewing existing data or provide prior written notice refusing to conduct the requested evaluation. The 60- day evaluation period shall commence upon PHOENIX INTERNATIONAL ACADEMY'S receipt of the parent's informed written consent (AAC R7-2-401.E)
 - d. Parental consent is not required before reviewing existing data as part of an evaluation or reevaluation; or administering a test or other evaluation that is administered to all children, unless consent is required of parents of all children prior to administration.
- b. For initial evaluations only, if the child is a ward of the state and is not residing with the child's parent, PHOENIX INTERNATIONAL ACADEMY is not required to obtain consent from the parent if:
 - a. Despite reasonable efforts to do so, PHOENIX INTERNATIONAL ACADEMY cannot discover the whereabouts of the parents of the child;
 - b. The rights of the parents of the child have been terminated by the court;
 - c. The rights of the parent to make educational decisions have been subrogated by a judge and consent for an initial evaluation has been given by an individual appointed by the judge to represent the child.
 - c. PHOENIX INTERNATIONAL ACADEMY may, but is not required to, seek informed consent through due process procedures if the parent of a child who is enrolled or seeking to enroll in PHOENIX INTERNATIONAL ACADEMY refuses consent for an initial evaluation.
 - d. PHOENIX INTERNATIONAL ACADEMY must obtain informed consent from the parent of the child before the initial provision of special education and related services to the child and must make reasonable efforts to obtain that consent. (AAC R7-2-401.F)
 - e. In conjunction with AAC R7-2-401.F, if a parent refuses consent for the initial provision of special education and related services, or fails to respond to a request for the initial provision of special education services, PHOENIX INTERNATIONAL ACADEMY may not seek consent through due process hearing procedures. PHOENIX INTERNATIONAL ACADEMY:
 - a. Will not be considered in violation for not providing FAPE;
 - b. Is not required to convene an IEP team meeting or develop an IEP for the child.
 - c. May not use mediation or due process procedures in order to obtain agreement or a ruling that the services may be provided to the child. (AAC R7-2-401.F)

- f. PHOENIX INTERNATIONAL ACADEMY must obtain informed consent prior to conducting any reevaluation of a child with a disability.
 - a. If the parent refuses consent, PHOENIX INTERNATIONAL ACADEMY may use due process hearing procedures to seek consent but does not violate its obligation if it declines to pursue the evaluation or the reevaluation.
 - b. The informed parental consent for reevaluation need not be obtained if PHOENIX INTERNATIONAL ACADEMY can demonstrate that:
 - 1. it made reasonable efforts to obtain such consent and has documented those attempts;
 - 2. the child's parent has failed to respond.
- g. PHOENIX INTERNATIONAL ACADEMY may not use a parent's refusal to consent to one service or activity under this section to deny the parent or child any other service, benefit, or activity of the public education agency, except as required by this part.
- h. If, at any time after the initial provision of special education and related services, the parent of a child revokes consent in writing for the continued provision of special education and related services, PHOENIX INTERNATIONAL ACADEMY:
 - a. May not continue to provide special education and related services to the child, but shall provide prior written notice before ceasing the provision of special education and related services;
 - b. May not use the mediation procedures or the due process procedures in order to obtain agreement or a ruling that the services may be provided to the child;
 - c. Will not be considered to be in violation of the requirement to make FAPE available to the child because of the failure to provide the child with further special education and related services; and
 - d. Is not required to convene an IEP team meeting or develop an IEP for the child for further provision of special education and related services.
- i. If a parent revokes consent in writing for the child's receipt of special education services after the child is initially provided special education and related services, the PHOENIX INTERNATIONAL ACADEMY is not required to amend the child's education records to remove any references to the child's receipt of special education and related services because of the revocation of consent.

Initial Evaluation (§300.301)

- a. PHOENIX INTERNATIONAL ACADEMY must complete an initial evaluation within 60 days of receiving informed written consent by the parent for the evaluation, unless:
 - i. The parents and PHOENIX INTERNATIONAL ACADEMY agree that it is in the best interest of the child to extend the timeline to complete the evaluation for an additional 30 days by issuing prior written notice as such
 - ii. The child enrolls in PHOENIX INTERNATIONAL ACADEMY from another public education agency after the parent has provided consent and before the determination of eligibility by the other agency (In that event, PHOENIX INTERNATIONAL ACADEMY will ensure prompt completion of the evaluation);

or

- iii. The parent of a child with a disability repeatedly fails or refuses to produce the child for the evaluation.

Reevaluations (§300.303)

- a. PHOENIX INTERNATIONAL ACADEMY will conduct a reevaluation of a child with a disability if the IEP team determines that the educational or related service needs, including improved academic achievement and functional performance, of the child warrant a reevaluation, or the child's parents or teacher requests a reevaluation, except:
 - i. PHOENIX INTERNATIONAL ACADEMY will not conduct a reevaluation more than once a year unless the parent and agency agree otherwise.
- b. PHOENIX INTERNATIONAL ACADEMY will conduct a reevaluation at least once every 3 years, unless it is agreed in conjunction with the parent that a reevaluation is unnecessary.

Evaluation Procedures (§300.304)

- a. The initial evaluation of a child or the reevaluation per a parental request of a student already receiving special education services, shall be conducted within 60 calendar days from PHOENIX INTERNATIONAL ACADEMY's receipt of the parent's informed written consent and shall conclude with date of the determination of eligibility.
 - i. The 60-day evaluation period may be extended for an additional 30 days, provided it is in the best interest of the child and the parent and PHOENIX INTERNATIONAL ACADEMY agree in writing. Neither the 60-day evaluation period nor any extension shall cause a reevaluation to exceed the timelines for a reevaluation within three years of the previous evaluation (AAC R7-2-401.E)
- b. PHOENIX INTERNATIONAL ACADEMY will provide prior written notice to the parents of a child who has or who is suspected of having a disability that describes the evaluation procedures that it proposes to conduct.
- c. In conducting an evaluation or reevaluation, PHOENIX INTERNATIONAL ACADEMY will:
 - i. Use a variety of assessment tools and strategies to gather relevant functional, developmental, and academic information about the child, including information provided by the parent in order to determine:
 - ii. Whether the child is a child with a disability; and
 - iii. If the child is a child with a disability, information related to enabling the child to be involved in and progress in the general education curriculum.
 - iv. Not use any single measure or assessment as the sole criterion for determining whether a child is a child with a disability and for determining an appropriate educational program for the child; and
 - v. Use technically sound instruments that may assess the relative contribution of cognitive and behavioral factors, in addition to physical or developmental

factors.

- d. PHOENIX INTERNATIONAL ACADEMY will ensure that evaluation materials and strategies:
 - i. Are not discriminatory on a racial or cultural basis;
 - ii. Are administered in the child's native language or other mode of communication and in the form most likely to yield accurate information on what the child knows and can do academically, developmentally, and functionally, unless it is clearly not feasible to do so;
 - iii. Are used for the purposes for which the assessment(s) or measure(s) are valid and reliable;
 - iv. Are administered by trained and knowledgeable personnel;
 - v. Are administered in accordance with the instructions provided by the assessment publisher;
 - vi. Are selected and administered so as to ensure that if administered to a child with impaired sensory, manual, or speaking skills, the assessment results accurately reflect the child's aptitude or achievement level or whatever other factors the test purports to measure rather than reflecting the child's impairments (unless those skills are the factors being measured).
 - vii. Assess the child in all areas related to the suspected disability, including, if appropriate, health, vision, hearing, social and emotional status, general intelligence, academic performance, adaptive behavior, communicative status, and motor abilities; and are sufficiently comprehensive to identify all of the child's special education and related service(s) needs, whether or not those needs are commonly associated with the child's disability.
 - viii. Provide relevant information that assists in determining the educational needs of the child
- e. Evaluations of children who transfer to or from another public education agency in the same school year are coordinated with the prior and subsequent schools, in order to expedite the completion of a full evaluation.

Additional Evaluation Requirements (§300.305)

- a. As part of an initial evaluation (if appropriate), and as part of any reevaluation, the IEP team and other qualified professionals, as appropriate, will:

- f. The failure of the parent to participate in the resolution meeting that has not been mutually agreed to be waived will delay the timelines for the resolution process and due process hearing until the meeting is held.
- g. If PHOENIX INTERNATIONAL ACADEMY is unable to obtain the participation of the parent after reasonable efforts have been made and documented, they may, at the end of the 30-day period, request that the hearing officer dismiss the parent's due process complaint.
- h. If PHOENIX INTERNATIONAL ACADEMY fails to hold the resolution meeting within 15 days of receiving the complaint or fails to participate in the meeting, the parent may request that the hearing officer begin the hearing timeline.
- i. The 45-day timeline for the due process hearing starts the day after:
 - i. Both parties agree in writing to waive the resolution meeting; OR
 - ii. After either the mediation or resolution meeting starts but before the end of the 30-day resolution period, the parties agree in writing that no agreement is possible; OR
 - iii. If both parties agree in writing to continue the mediation at the end of the 30-day resolution period, but later, one party withdraws from the mediation process.
- j. If a resolution is reached at the meeting, the parties must execute a legally binding

agreement that is:

- i. Signed by both the parent and a PHOENIX INTERNATIONAL ACADEMY representative who has authority to legally bind the agency; and
 - ii. Enforceable in any state court of competent jurisdiction or in a district court of the United States.
- k. Either party may void the agreement within 3 business days of the agreement's execution.

Child's Status during Proceedings (§300.518)

- a. The child involved in the due process hearing complaint must remain in his or her current educational placement:
 - i. Unless a discipline appeal has been filed as provided in §300.533;
 - ii. During the pendency of any administrative or judicial proceeding regarding a due process complaint notice requesting a due process hearing under §300.507; or
 - iii. Unless PHOENIX INTERNATIONAL ACADEMY and parents of the child agree otherwise.
- b. If the complaint involves an application for initial admission to public school, the child, with the consent of the parents, must be placed in the public school until the completion of all the proceedings.
- c. If the complaint involves an application for initial services for a child who has turned 3 and is transitioning from Part C to Part B, PHOENIX INTERNATIONAL ACADEMY is not required to provide the Part C services the child had been receiving. If the child is found eligible for special education and related services under Part B and the parent consents to the initial provision of services under §300.300(b), then PHOENIX INTERNATIONAL ACADEMY must provide those services that are not in dispute.
- d. If the hearing officer agrees with the child's parents that a change of placement is appropriate, that placement must be treated as an agreement between the State and parent for the purposes of (1)(c) of this section.

Surrogate Parents (§300.519)

- a. PHOENIX INTERNATIONAL ACADEMY will ensure that the rights of a child are protected by assigning an individual to act as a surrogate for the parents when:
 - i. No parent can be identified;
 - ii. After reasonable efforts are made, no parent can be located;
 - iii. The child is a ward of the State (with no foster parent); or
 - iv. The child is an unaccompanied homeless youth as defined by the McKinney-Vento Homeless Assistance Act;
- b. PHOENIX INTERNATIONAL ACADEMY will have a method for determining when a surrogate parent is needed and for making surrogate parent assignments.
- c. PHOENIX INTERNATIONAL ACADEMY will ensure that a person selected as a surrogate parent:
 - i. Is not an employee of the State, PHOENIX INTERNATIONAL ACADEMY, or any

- other agency that is involved in the education or care of the child;
 - ii. Has no personal or professional interest that conflicts with the interest of the child the surrogate parent represents; and
 - iii. Has knowledge and skills that ensure adequate representation of the child.
- d. In the case of an unaccompanied homeless youth, appropriate staff of emergency shelters, transitional shelters, independent living programs, and street outreach programs may be appointed as temporary surrogate parents until a surrogate parent can be appointed that meets all the requirements of this section.

Discipline POLICY

A child with a disability may be disciplined for a violation of the student code of conduct, including removal from his or her current placement to an appropriate interim alternative educational setting, another setting, suspension, or expulsion in accordance with IDEA Regulations 34 CFR §§300.530 through 300.536.

PHOENIX INTERNATIONAL ACADEMY shall establish, implement, and make available to personnel and parents written procedures for the suspension and expulsion of students with disabilities (AAC R7-2-401.P).

Discipline PROCEDURES

34 CFR §300.530 – §300.536, AAC R7-2-401.P

Authority of School Personnel (§300.530)

- a. On a case-by-case basis and in consideration of any unique circumstances, school personnel may remove a child with a disability who violates a student code of conduct from his or her current placement to an appropriate interim alternative educational setting, another setting, or suspension, for not more than 10 consecutive school days (to the extent those alternatives are applied to children without disabilities), and for additional removals of not more than 10 consecutive school days in that same school year for separate incidents of misconduct, as long as those removals do not constitute a change of placement under §300.536.
- b. After a child with a disability has been removed from his or her current placement for 10 school days in the same school year, during any subsequent days of removal, PHOENIX INTERNATIONAL ACADEMY must provide services to the extent required to:
 - i. Enable the child to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting his/her IEP goals; and
 - ii. Receive, as appropriate, a functional behavioral assessment, behavioral intervention services, and modifications that are designed to address the behavior violation so that it does not recur.
- c. PHOENIX INTERNATIONAL ACADEMY is only required to provide services during periods of removal to a child with a disability who has been removed from his or her current placement for 10 days or less in that school year, if it provides services to nondisabled children similarly removed.
- d. After a child with a disability has been removed from his or her current placement for 10 school days and the current removal is for not more than 10 consecutive school days and not a change of placement, school personnel, in consultation with at least one of the child's teachers, determine the extent to which services are needed, so as to enable the child to continue to participate in the general education curriculum and to progress toward meeting the IEP goals.
- e. If the removal is a change in placement, the child's IEP team determines the

Policies and Procedures for Phoenix International Academy

- appropriate services.
- f. Within 10 school days of any decision to change the placement of a child with a disability because of a violation of a code of student conduct, PHOENIX INTERNATIONAL ACADEMY, parent, and relevant members of the IEP team must review all relevant information in the student's file, the IEP, teacher observations, and any relevant information to determine:
 - i. If the conduct was caused by, or had a direct and substantial relationship to, the child's disability; or
 - ii. If the conduct in question was the direct result of PHOENIX INTERNATIONAL ACADEMY's failure to implement the IEP.
 - g. The conduct must be determined to be a manifestation of the disability if either (6)(a) or (b) occurred, and if the IEP was not implemented, PHOENIX INTERNATIONAL ACADEMY must take immediate steps to remedy that deficiency.
 - h. If PHOENIX INTERNATIONAL ACADEMY, parent, and relevant members of the IEP team determine that the conduct was a manifestation of the child's disability, the child must be returned to the placement from which the child was removed, unless the parent and PHOENIX INTERNATIONAL ACADEMY agree to a change of placement. The IEP team must either:
 - i. Conduct a functional behavioral assessment, unless one has already been done, and implement a behavioral intervention plan; or
 - ii. If a behavioral intervention plan has already been developed, review the plan and modify it, as necessary, to address the behavior.
 - i. School personnel may remove a student to an interim alternative educational setting for not more than 45 school days without regard to manifestation of disability if the child:
 - i. Carries a weapon to or possesses a weapon at school, on school premises, or to or at a school function under the jurisdiction of a state or PHOENIX INTERNATIONAL ACADEMY;
 - ii. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function under the jurisdiction of a state or PHOENIX INTERNATIONAL ACADEMY; or
 - iii. Has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function under the jurisdiction of a state or PHOENIX INTERNATIONAL ACADEMY.
 - j. PHOENIX INTERNATIONAL ACADEMY will notify parents and provide notice of procedural safeguards on the day it is determined that the student has violated the code of conduct and the violation constitutes a change of placement (i.e., interim alternative education setting).

Suspension and Expulsion, Determination of Setting (AAC R7-2-401.P, §300.531)

- a. PHOENIX INTERNATIONAL ACADEMY shall require all school-based staff involved in the disciplinary process to review the policies and procedures related to suspension and expulsion on an annual basis. PHOENIX INTERNATIONAL ACADEMY

- shall maintain documentation of staff review (AAC R7-2-401.P)
- b. Procedures for such suspensions and expulsions shall meet the requirements of the IDEA and its regulations, and state statutes. (AAC R7-2-401.P)
 - c. The child's IEP team determines the interim alternative educational setting for services.

Change of Placement Due to Disciplinary Removals (§300.536)

- a. A change of placement occurs if:
 - a. The removal is for more than 10 consecutive school days; or
 - b. The child has been subjected to a series of removals that constitute a pattern:
 - i. because the series of removals total more than 10 school days in a school year;
 - ii. because the child's behavior is substantially similar to the behavior in previous incidents that resulted in a series of removals; and
 - iii. because of such additional factors as the length of each removal, the total amount of time the child has been removed, and the proximity of the removals to one another.
- b. PHOENIX INTERNATIONAL ACADEMY will determine on a case-by-case basis whether a pattern of removals constitutes a change of placement, and such determinations are subject to review through due process and judicial proceedings.

Appeal and Placement During Appeals (§300.532, §300.533)

- a. The parent of a child with a disability who disagrees with any decision regarding placement under §§300.530 and 300.531 or the manifestation determination may appeal the decision by requesting an expedited due process hearing in conformance with §§300.310 through 300.314 and AAC R7-2-405.I.
- b. If PHOENIX INTERNATIONAL ACADEMY believes that maintaining the current placement of the child is substantially likely to cause injury to the child or others may appeal the decision by requesting an expedited due process hearing in conformance with §§300.310 through 300.314 and AAC R7-2-405.I.

Referral to and Action by Law Enforcement and Judicial Authorities (§300.535)

- a. PHOENIX INTERNATIONAL ACADEMY may report a crime committed by a child with a disability to appropriate authorities to enable the agency to exercise its responsibilities.
- b. If PHOENIX INTERNATIONAL ACADEMY reports a crime committed by a child with a disability, they will ensure that copies of the special education and disciplinary records of the child are transmitted for consideration by the appropriate authorities to whom they report the crime, but only to the extent permitted by FERPA.

Protections for Children Not Determined Eligible for Special Education and Related Services (§300.534)

- a. A student who has not been determined eligible and who engaged in a behavior that violated a code of student conduct may assert protections if PHOENIX INTERNATIONAL ACADEMY had knowledge that the child was a child with a disability before the behavior that precipitated the disciplinary action occurred. PHOENIX INTERNATIONAL ACADEMY must be deemed to have such knowledge if:
 - a. The parent of the child expressed concern in writing to supervisory or administrative personnel of PHOENIX INTERNATIONAL ACADEMY, or a teacher of the child, that the child is in need of special education and related services;
 - b. The parent of the child requested an evaluation of the child pursuant to §§300.300 through 300.311; or
 - c. The teacher of the child, or other personnel of PHOENIX INTERNATIONAL ACADEMY, expressed specific concerns about a pattern of behavior demonstrated by the child directly to the director of special education or to other supervisory personnel of PHOENIX INTERNATIONAL ACADEMY.
- b. PHOENIX INTERNATIONAL ACADEMY would not be deemed to have knowledge if the parent of the child:
 - a. Has not allowed an IDEA evaluation of the child;
 - b. Has refused special education services for the child; or
 - c. The child has been evaluated and determined to not be a child with a disability under IDEA.
- c. If PHOENIX INTERNATIONAL ACADEMY does not have knowledge that a child is a child with a disability prior to taking disciplinary measures against the child, the child may be disciplined as other children without disabilities who engage in comparable behaviors.
- d. If an evaluation is requested during the time in which a child is subjected to disciplinary measures, the evaluation must be conducted in an expedited manner.
 - a. Until the evaluation is completed, the child remains in the educational placement determined by PHOENIX INTERNATIONAL ACADEMY, which can include suspension or expulsion without educational services.
 - b. If the child is determined to be a child with a disability, PHOENIX INTERNATIONAL ACADEMY must provide special education and related services in accordance with this part, including the requirements of §§300.530 through 300.536.

Confidentiality POLICY

PHOENIX INTERNATIONAL ACADEMY will ensure that protection of the confidentiality of any personally identifiable data, information, and records collected or maintained by the agency will be in accordance with 34 CFR §§300.611–300.627.

PHOENIX INTERNATIONAL ACADEMY shall establish, implement, and make available to its personnel and parents written policies and procedures to ensure the confidentiality of records and information in accordance with the IDEA and its regulations, the Family Educational Rights and Privacy Act (FERPA) and its regulations, and state statutes.  - i. The right to a response from PHOENIX INTERNATIONAL ACADEMY to reasonable requests for explanations and interpretations of the records;

 - iii. The right to have a representative of the parent inspect and review the records.

 - i. The name of the party;
 - ii. The date access was given; and

- iii. The purpose for which the party is authorized to use the records.
- e. Upon receiving a written request, PHOENIX INTERNATIONAL ACADEMY shall forward special education records to any other public education agency in which a student has enrolled or is seeking to enroll. Records shall be forwarded within the time-frame specified in A.R.S. § 15- 828(F). PHOENIX INTERNATIONAL ACADEMY shall also forward records to any other person or agency for which the parents have given signed permission. AAC R7-2-401.J(4)

- b. PHOENIX INTERNATIONAL ACADEMY must provide parents on request a list of the types and locations of education records collected, maintained, or used by the agency.
- c. PHOENIX INTERNATIONAL ACADEMY may charge a fee for copies of records that are made for parents if the fee does not effectively prevent the parents from exercising their right to inspect and review records.
- d. PHOENIX INTERNATIONAL ACADEMY may not charge a fee to search for or to retrieve information.

Amendment of Records at Parent's Request (§300.618)

- a. A parent who believes that information in the education records collected, maintained, or used by PHOENIX INTERNATIONAL ACADEMY is inaccurate or misleading or violates the privacy or other rights of the child may request PHOENIX INTERNATIONAL ACADEMY to amend the information.
- b. PHOENIX INTERNATIONAL ACADEMY must decide whether to amend the information in accordance with the request within a reasonable period of time of receipt of the request.
- c. If PHOENIX INTERNATIONAL ACADEMY refuses to amend the information in accordance with the request, it must inform the parent of the refusal and advise the parent of the right to a hearing under §300.619.

Opportunity for a Hearing, Result of Hearing (§300.619, §300.620)

- a. PHOENIX INTERNATIONAL ACADEMY must, on request, provide an opportunity for a hearing to challenge information in education records to ensure that it is not inaccurate, misleading, or otherwise in violation of the privacy or other rights of the child.

- b. If, as a result of a hearing, PHOENIX INTERNATIONAL ACADEMY decides to amend information determined inaccurate, misleading, or otherwise in violation of the privacy or other rights of the child, it must do so accordingly and so inform the parent in writing.
- c. If, as a result of a hearing, PHOENIX INTERNATIONAL ACADEMY decides that the information is not inaccurate, misleading, or otherwise in violation of the privacy or other rights of the child, it must inform the parent of the parent's right to place in the maintained records a statement commenting on the information or setting forth any reasons for disagreeing with PHOENIX INTERNATIONAL ACADEMY's decision.

- b. Parental consent must be obtained before personally identifiable information is released to officials of participating agencies providing or paying for transition services in accordance with §300.321.
- c. If a child is enrolled, or is going to enroll, in a private school that is not located in the boundaries of the district of the parent's residence, parental consent must be obtained before any personally identifiable information about the child is released between officials in the district where the private school is located and officials in the district of the parent's residence.

Appendix A

On October 23, 2017, the Arizona State Board of Education adopted rules in the area of Special Education (R7-2-401).
